**Abstract:**

There are two types of Kalatra Dosha. One is to be unmarried and the other is to be affected by being married. In this astrologically, when looking at the horoscope of an individual, experience shows that the 7th sin is affected by the influence of Rahu - Ketu.

**Key Words:** Rahu, Ketu and 7th Bhava

**Introduction:**

7th bhava is Kalatra bhava only or it comes as 11th house to benefic house in 9th house. Therefore, if one wants to have a happy married life, it can only happen if he is blessed. If not, there are many people who live without fulfillment in life. The reason is that the 7th house is the 12<sup>th</sup> house for the 8th house of life. Whether it is happy life or unhappy life, depending on the position of the planets, married life becomes yogic and dosha.

**Rahu - Ketu interpretation:**

Knowing the benefits of Rahu - Ketu - Explanation

- Rahu - Ketu are considered shadow planets.
- Considered as inauspicious planets as they are inauspicious in nature.
- Since there are no own houses in the zodiac wheel, it has the rule of attracting and activating the karaktuva of the lord of the standing sign and the karaktuva of the associated planet.
- Rahu-Ketu gains strength when placed in upajaya sthanas like 3rd, 6th, 10th and 11th.
- It is astrological tradition that Rahu-Ketu is strong in houses like Pisces, Rishab, Cancer, Virgo, Capricorn. That is, if 3, 6, 10 and 11 are placed and Rahu - Ketu are stationed there, it will be better.
- As Rahu - Ketu are considered inauspicious planets, these shadowy planets are auspicious if they are aspected in 3rd, 6th, 8th and 12th lagna
- Also horoscope wise it is extra good if Moon is waning in 3rd, 6th, 8th and 12<sup>th</sup>
- Rahu is a planet that acts like Saturn. Hence Rahu's friendly planets Saturn gets more strength when it connects with Mercury.
- Ketu is a planet that acts like Mars. Therefore, Keku gains strength when it is associated with Jupiter, the friendly planets.

**Exception:**

As the Sun is in opposition to the Moon with Rahu Ketu, the relationship does not get good because when it joins, eclipse doksham occurs. Method of knowing Rahu - Ketu positing nakshatra benefit

- Rahu - Ketu is the first to activate the work of the posited star lord
- The planet giving house to Rahu-Ketu. Only if Rahu-Ketu is stationed in the place full of Rahu-Ketu will give good results.
- It is better to place Rahu in a strong place with friendly planets Saturn Shukra Mercury eclipsed.
- It is better if the friendly planets Se, Guru, Sana,; Suri do not disappear in the place where Ketu is standing and stand strong.
- The astrological rule is that Rahu direction gives more benefits. Whereas the happiness! Ominous! It can be determined only by the position of the planets
- Friendly planets in the position of Rahu and Ketu are beneficial only if they are in good lordship and if they are in malefic lordship then they are hidden.
- Rahu - Ketu can function with full force only when it acquires self essence
